More About Breeze

What is Breeze?

- Breeze is a fare collection system that is used by Xpress, MARTA and other transit agencies in the Atlanta region.
- It is a more convenient and secure way to collect fares.
- The system uses a plastic smart card called a Breeze Card with a computer chip inside that can store passes and cash value.

*Cards must be registered.

How does the Breeze Card work?

- Very similar to the Xpress magnetic stripe cards, but instead of swiping paper passes, you “tap” your Breeze Card on the Breeze validator to pay your fare each time you ride. **It’s that simple – Just tap and go!**
- If you use cash value, the system will deduct your fare each time you tap to ride.
- If you use passes, Breeze recognizes there is a valid pass on your card and alerts the operator.

How does Breeze benefit customers?

- **More convenience:**
 - Employer program customers – including SECAP and TMAs have their passes automatically downloaded to their Breeze Cards each month.
 - “General” customers can buy their passes or add cash value to their Breeze Card online at Breezecard.com, at Breeze Vending Machines located in all of MARTA’s 38 rail stations, and the Xpress Retail Center.
 - All customers will be able to check the balance on their Breeze Card at any Breeze Vending Machine and online at Breezecard.com.
- **Less worry:** When you register your Breeze Card, your balance is protected if it is lost or stolen. Customers who participate in Employer programs (SECAP and TMA) will be automatically registered – no action is required by you.
- **Less hassle:**
 - Cash Customers can load up their card with cash value and pay as they go – and never worry about having exact change again!
 - All Customers will benefit from easier boardings.
- **More control:**
 - You can manage your card online through Breezecard.com.
 - You can get a card, register it, add a pass or cash value and check your transaction history from wherever you are.
- **Better service:** Breeze will help Xpress tailor routes and schedules to meet your needs.
- **Easier Regional Travel:** Customers can travel on MARTA, Xpress, CobbLinc and Gwinnett County Transit using one Breeze Card.
- **Savings:** Customers who use the Breeze Card can transfer from Xpress to MARTA for free (up to four transfers in three hours) – and from MARTA to Xpress for free!

Will customers be able to continue buying the same pass they currently use?

- Yes – existing passes will be available on Breeze, including the roundtrip discount.
- TMAs will continue to get calendar monthly passes on breeze. SECAP members will transition from the 31-day pass to a calendar monthly pass on Breeze.
- The general public will be able to buy 31-day, 10-ride and roundtrip passes.

Will everyone have to use Breeze?

- No – you may also pay with cash (exact change only). The choice will be up to you. We expect most customers will want to use the Breeze Card to pay their fares once the rollout is complete, however.
- Calendar monthly and 10-ride passes will only be available through Breeze (for SECAP and TMA).
- 31-day passes, 10-ride passes, and roundtrip discounts will only be available through Breeze (for the general public, CobbLinc routes 476 and 480, and Douglas County customers).
